2. Additional recitals by music majors, and recitals by non-majors, require the approval of the music faculty.
3. A recital hearing is required for final permission for the student to perform and three music faculty members must be present. September recitals need to schedule the hearing during Spring Semester. Other recital hearings should be scheduled three weeks before the recital date. The recitalist will perform pieces from his/her program on request. If the hearing is not passed, the recital will be postponed until the student is deemed prepared to present the program.
